NEW NEW SEASON FAVORITES

Autumn is here—and with it, more reasons to stay in, slow down, and enjoy time together. It's the season of cozy gatherings and games that bring everyone to the table.

This fall, we're expanding our game range with fresh takes on classics like chess and backgammon, plus timeless favorites in new designs. We're also proud to introduce a special collaboration with one of the chess world's biggest influencers—Anna Cramling— on an exclusive new chess set.

You'll also find updated formats and covers of our best-selling photo albums, along with exciting new releases across all our most-loved categories—from culinary-inspired gift boxes for foodies to fresh arrivals in our popular fill-in journal category.

**We hope you love what's new.
We certainly do.**
